Summer time and the living is easy

Residents in Sharnford are all set for a glorious summer in a brand new home.

The new scheme of eight homes was officially opened at a special event on 21st May when families including John and Barbara Proctor were welcomed to Coopers Close.

Barbara said: "We raised five children in Sharnford but had to downsize and move away. It's wonderful to be back where everyone knows us and where we feel we belong."

Following the General Election, the new Conservative Government is carrying on the welfare reforms...

- Universal Credit is still being rolled out nationally starting with single people making new claims. For advice and support, call the national Universal Credit helpline on **0345 6000723**, visit our website or speak to your housing officer.
- If you lose your job, go straight to the Job Centre to make a claim for Universal Credit as payments cannot be back-dated. You also need to let us know by calling **0300 1234 009**.
- There are plans to reduce the Benefit Cap from £26,000 to £23,000 per year. This is the total amount of certain benefits you can get if you are of working age.
- The 'bedroom tax' will continue.
- For 18 - 21 year olds, there will be new changes to Housing Benefit.

Watch this space for more details.

Credit where it's due

Remember - your tenancy agreement says you must pay your rent in advance. If you pay by standing order, you'll need to increase the amount you pay if you've not already done so.

You can easily view your rent account through My Home Online. It's simple to register – visit www.leicestershirerha.org.uk/living-in-your-home

MAKE A CLAIM

If you have an 18-year-old who is leaving full-time education this summer and not going into employment, they will be classed as a 'non-dependant' and need to make their own claim for benefits. Otherwise your housing benefit will be affected.

Buzz off!

Summer's here and so are the wasps and bees! If you find a wasp or bees nest in your home and need help to remove it, please get in touch with your local authority. There will be a charge for this service.

Caring for you

A big welcome to Sarah Field, our new Customer Care Co-ordinator.

Sarah, who previously worked in the care industry, says she's thoroughly enjoying taking your calls and helping with everything from housing repairs to tenancy queries.

She says: "It's an interesting job and I like interacting with our customers and doing my best to help."

Our part and your part

We all have a part to play in creating great communities:

Our part

We will ensure your communal areas and gardens are kept tidy and are maintained to a good standard.

Your part

Please keep your gardens tidy and free from rubbish.

Keep it tidy

It's that time of year when you might want to get out and tidy any overgrown trees and bushes. Before pruning or cutting back any trees in your garden, please contact your local authority to check whether they are covered by a Tree Preservation Order.

Zero hours contract help

New regulations were brought in on 26th May for people working on a zero hours contract.

If you have any concerns or want more information, contact the ACAS helpline on **0300 123 1100** or visit www.acas.org.uk/zerohours

Fun in the sun

Sunny summer days are perfect for enjoying time in the garden but always remember to respect your neighbours. They will want to enjoy their own gardens too!

CALL US

Don't forget to call us on our new number

0300 1234 009

whatever your query.

If you're calling from a landline, it's just the standard call cost, and if you're using a mobile, it can be included in your free minutes.

PIPE DOWN!

We are responsible: for the waste water pipes (drains) which are under your house, garden and driveway. They take the waste water away from your property. This is not the case for shared owners who are responsible for their own.

Your local water company is responsible: for the large sewers under the road or pavement, as well as the sections of sewers and pipe which you share with your neighbours.

The county council is responsible: for dealing with blocked highway drains and road gullies which are causing flooding.

If you receive a letter inviting you to join a water scheme, just ignore it. If you think one of Severn Trent Water's sewers is blocked, call day or night on **0800 783 4444**.

CLAIMS EXPLAINED

If you're a shared owner, you're responsible for the maintenance of your property except when it's been damaged by natural disasters such as a storm or flood. This is covered under our buildings insurance policy.

If you want to make a claim, or find out whether damage is covered, call Lewis Cave at our insurers, Arthur J. Gallagher, on 0845 2187871. If it is covered by our insurance policy, they will notify us. If it's not covered, you are responsible for carrying out any necessary repairs.

It's important that you take out your own contents insurance so your possessions are covered if they're damaged or stolen.
