**It's a dog's life for Clive and Marina Hale! The couple, who live in Knights Close, Husbands Bosworth, admit they are totally devoted to their canine friends!**

They were devastated when they lost their Rhodesian Ridgeback, Tara, to cancer earlier this year. Tara was only three but had already won a whole hoard of rosettes and trophies, including a first place at Crufts!

Now they've welcomed Zola, a two-year-old rescue dog, and she's already won a first place rosette! Marina says: "We can't thank LRHA enough for the opportunity of owning such wonderful dogs."

## PENSION CREDIT CHANGES

The age to claim Pension Credit continues to rise. From November, you won't be able to claim until you're 65. Next February there will be a further change. If you have children, your Pension Credit will include an amount for them, rather than you claiming a separate Child Tax Credit.

## FREE ADVICE

Iasa has launched Advicelocal, a free service offering advice on a host of issues including welfare benefits, debt and money advice, employment and work issues. Visit [www.advicelocal.co.uk](http://www.advicelocal.co.uk) and enter your postcode to get tailored information for your area.

## CHILD BENEFIT

Child Benefit stops on 31st August after a child's 16th birthday if they leave education or training. If they are planning to stay in approved education or training, parents must tell the Child Benefit Office during their last year of school. Call **0300 200 3100** or visit [www.gov.uk](http://www.gov.uk)

## HELP TO SAVE

A new Help to Save scheme is being trialled by the government to help people become regular savers. The scheme is available to people who are receiving Working Tax Credit or Child Tax Credit or claiming Universal Credit and have a monthly household income of £542.88 or more. Help to Save account holders can save up to £50 a month and will receive a 50% bonus on their highest balance after two years. Call **0300 322 7093** or visit [www.gov.uk](http://www.gov.uk)

## RIGHT TO BUY

A Voluntary Right to Buy 'regional pilot' will be taking place in the East and West Midlands and it is up to individual housing associations whether to take part. The National Housing Federation and the Government recognise that smaller housing associations, such as us, may face practical barriers to participation and will choose to opt out.

Due to our size, the barriers we would face, and the fact that the vast majority of our homes cannot be sold due to their rural location, engagement with the VRTB pilot is not really possible but please contact emh homes if you have any questions about your home.

## TURNING POINT

A range of substance misuse services are offered across Leicestershire by Turning Point. Call **0330 303 6000** to ask any questions, gain advice or to access their services.

## HOW TO...

# Defrost a condensate pipe

*Here's the latest guide in our 'How to...' feature to help you keep your property looking great and running well.*

If your condensate pipe freezes in the cold weather, your boiler will shut down, but it's easy to get it running again.

1. The condensate pipe is usually a white or grey plastic pipe which travels from your boiler through the wall to your outside drain.
2. If you think it has frozen, run your hands along the pipe to see if a section feels colder than the rest. This will be the blockage.
3. Use a jug or watering can to pour warm water along the pipe until it has thawed. Don't use boiling water as it can damage the pipe.
4. Restart your boiler.
5. To prevent the pipe from freezing again, wrap it in old towels or buy some foam pipe insulation from a DIY shop.

# ECO HOMES

Our housing partner, Warwickshire Rural Housing, welcomed HRH The Princess Royal to officially open its eco-friendly development in September. Residents at Keyte Gardens in Wootton Wawen are set to save money on their bills as all the homes have been designed and built to be as energy-efficient as possible.

# ON THE MOVE

We've said a couple of goodbyes recently, as well as welcoming some new faces to our team:

- After 25 successful years as Managing Director at Midlands Rural Housing, which provides the staff team that delivers our day to day services, **Craig Felts**, retired at the end of August. We all wish him a very happy retirement.
- **Richard Mugglestone**, who has been with the Association for the past 13 years, has been appointed as Craig's replacement. He will be using his extensive housing expertise to ensure that more rural affordable homes can be provided where they are most needed.
- We've also said goodbye to Maintenance Surveyor, **Jamie Stevenson**, and wish him all the best.

- **Beth Willars** has been welcomed as Development & Maintenance Assistant. If you've had work completed at your home, Beth will give you a call to check that you're happy with it.
